at
Fort Monmouth

“SUSTAINING THE ENVIRONMENT FOR A SECURE FUTURE”

When: 27 April, 1000-1500

Where: Lane Hall (bldg 702)

What to Expect: This year's Earth Day & Arbor Day observance will feature a variety of activities and interactive exhibits.

Exhibitors representing the environmental services industry, retailers and government organizations will be present throughout the day to discuss products and programs.

Videos featuring relevant topics will be shown in the meeting room adjacent to the atrium at 1130-1430.

A **wildlife exhibit** featuring live birds including raptors, endangered species and our national bird, the bald eagle will be located adjacent to Lane Hall.

An **osprey nest** viewing station (yes, ospreys nest at Fort Monmouth) will be set-up (directions will be provided at Lane Hall).

Tree Seedlings provided by the NJ Division of Forestry will be distributed to attendees free of charge in honor of Arbor Day.

Fort Monmouth DPW Environmental Branch staff will be present to discuss the post's environmental program, distribute informational materials and discuss the post's environmental program and history.

Contact Kevin Gashlin, DPW Environmental Branch at 532-7068 or at Kevin.Gashlin@mail1.monmouth.army.mil for more information about the event.
